

Installing the Merrill-Cazier Library Connection File

1. Right-click the **Online Catalog Connection File** on the EndNote web page (<http://library.usu.edu/instruct/handouts/endnote/>).
2. Choose **Save link as**.
3. Save the file in the folder: C:\Program Files\Endnote\Connections\ (or the location in which you have saved your EndNote connection files).
4. Open Endnote.
5. Open an existing Endnote library or create a new one.
6. Choose **Tools** on the menu bar and choose **Connect > Connect...**
7. Choose **USU Library** from the list of connections.
8. Conduct your search.
