Tools: Search Tips

Search Clear

- 3 If the newspaper is included in ProQuest Newsstand, the title will appear below the search box, indicating the time period for which Newsstand includes articles from the newspaper.

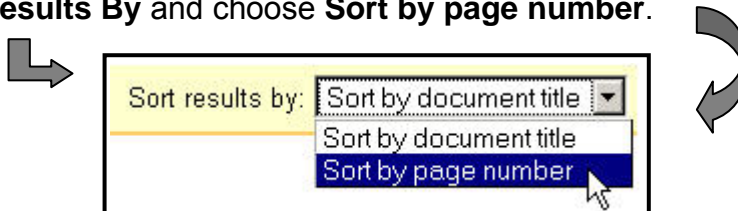

- 4 Click the title to view the full record.

- 5 Scroll through the list or click Next and choose a specific date you are interested in browsing.

- 6 A list of articles available from the day you chose will appear. They should automatically be sorted by title. To sort them by page and view all the articles that appeared on the front page, click the drop-down arrow next to **Sort Results By** and choose **Sort by page number**.

- 7 You can click the title of any article to view the full record or jump directly to the full text or the abstract (a summary of the article).

Articles are from page A1.
