Y'all ready for a rootin'-tootin' good time? Library After Hours is the perfect opportunity for incoming freshmen to have fun and get to know their university library!

Join us Friday night for an exclusive first look at the Merrill-Cazier Library. Explore your space with chill vibes and big fun: pizza, games, karaoke, coloring corners, and yes, a mechanical bull. We're also hosting raffle giveaways throughout the night with a chance to win amazing prizes. Come hungry. Come curious. Cowboy hats optional.
