## Access Summer Reading From Anywhere!

Questions? Contact Sam Farley, E-Resource Subscription Manager | [sam.farley@usu.edu](mailto:sam.farley@usu.edu)

Summer break is the perfect time to dive into that reading list you've been saving. With USU Libraries' digital reading app, you can enjoy books anywhere your summer adventures take you—whether at the beach, by the pool, or on a road trip.

### Easy Setup in Four Steps

- Download the free app to your device
- Sign in with your A-number and password
- Browse the collection or search for specific titles
- Borrow and start reading immediately

### Compatible With E-Readers

The app seamlessly connects with e-readers such as the Kindle or the Kindle app, allowing you to send borrowed e-books directly to your preferred reading device. This integration gives you the best of both worlds—free library books on the device you love most.

### Request Books

Is the book you want to read unavailable? No worries! Simply tap the "Notify Me" Smart Tag, which will notify our librarians of interest in this item!

### Features That Enhance Your Reading Experience

The digital reading app includes several features that make reading on the go convenient and enjoyable:

- **Offline Access | Perfect for Travel**  
Download titles before your trip and read without internet connection

- **Customizable Display | Accessibility Features**

Adjust text size, font style, and background color for comfortable reading

- **Syncing | Multiple Devices**

Your bookmarks, highlights, and reading progress sync across all your devices

- **Audiobooks | Hands-free Option**

Listen to audiobooks during commutes, workouts, or while relaxing

Don't wait until summer is halfway over to enjoy this service. Visit our Research Guides section today to learn more about setting up your digital reading account and accessing thousands of titles from anywhere this summer.
