***Every Heart a Doorway* by Seanan McGuire**

The Hugo and Nebula award-winning fantasy

New York Times bestselling author Seanan McGuire presents a fresh take on the portal fantasy genre that blends *Alice in Wonderland*, *The Magicians*, and *The Nightmare Before Christmas*.

Eleanor West's Home for Wayward Children
No Solicitations
No Visitors

No Quests

Children have always disappeared under the right conditions; slipping through the shadows under a bed or at the back of a wardrobe, tumbling down rabbit holes and into old wells, and emerging somewhere... else.

But magical lands have little need for used-up miracle children.

Nancy tumbled once, but now she's back. The things she's experienced... they change a person. The children under Miss West's care understand all too well. And each of them is seeking a way back to their own fantasy world.

But Nancy's arrival marks a change at the Home. There's a darkness just around each corner, and when tragedy strikes, it's up to Nancy and her new-found schoolmates to get to the heart of things.

No matter the cost.
