Open Education Week

**March 16–17, 12:30–3:30 PM |
Merrill-Cazier, Front Lobby**

Contact: Yassin Nacer, Open Education Librarian |
yassin.nacer@usu.edu

Stop by the Merrill-Cazier Library for Open Education Week to learn how to find courses with zero textbook costs. Explore easy ways to cut textbook expenses and make college more affordable. Plus, enjoy free swag and snacks while you're there!

What is Open Education?

Open Educational Resources (OER) are learning, teaching and research materials in any format and medium that reside in the public domain or are under copyright that have been released under an open license, that permit no-cost access, re-use, re-purpose, adaptation and redistribution by others.

Learn More About Open Educational Resources

Learn what Open Educational Resources (OER) are including their benefits, how faculty can use or create OER for their courses, and how students can identify OER-based classes during registration. Visit library.usu.edu/oer for more information.
