Need help writing a DMP, using metadata, finding a data repository, or formatting data for long-term storage? Is a publisher asking you to deposit data and provide a DOI before your article will be accepted? Confused about funder requirements? These questions and more answered each Tuesday from 2:00-3:00pm in Merrill-Cazier Library, Room 208. You can also schedule an appointment by contacting researchdata@usu.edu or get more information by visiting the Research Data Management website.
